METAL I PLASTIKA

TISA KOMERC

Tisakomerc d.o.o - proizvodno-trgovačka firma, osnovana 2000. godine u Žepču, Bosna i Hercegovina.

Proizvodnju razvijamo u metalu i plastici, a trgovinu u programu vijčane robe i okova, gdje smo već duži niz godina na programu distribucije različitih vrsta vijaka i okova, prije svega za fabrike namještaja, metalnu industriju i građevinarstvo, gdje smo **postali lider**, kako na tržištu Bosne i Hercegovine, tako i u regionu.

Proizvodne pogone metalne industrije, kao i veoma dobro opremljen mašinski park, usmjerili smo u proizvodnju proizvoda od metala, dominantno za fabrike namještaja (različite vrste nogu, ukruta, ramova, ugaonika, kreveta, mehanizama za razvlačenje, ugaonih klupa).

Razvili smo i proizvodnju programa metalne galanterije za građevinarstvo, a odnosi se na različite forme unutarnjih i vanjskih opremanja objekata u koje ubrajamo: moderna stepeništa-unutarnja i vanjska, različite vrste ograda (panelne, flahovne i dr.), garažne nadstrešnice, nosače fasada, aluminijske okapnice.

Brizganje plastike usmjerili smo u razvoj proizvoda iz drvne industrije kao i dijelova PVC stolarije u koje ubrajamo: različite vrste nogica, čepova za okrugle, kvadratne i pravougaone cijevi, plastični uložak za latoflex krevete, kapice, plastične kajle za Alu i PVC stolariju, i drugo.

Plastifikaciju metalnih proizvoda radimo u vlastitoj režiji.

Raspolažemo velikim brojem modernih CNC mašina, CNC apkant presa, laserima, i većim brojem drugih mašinskih postrojenja, neophodnih za brzu i kvalitetnu proizvodnju.

Sve radne površine, kako za trgovačku tako i za proizvodnu djelatnost, smještene su u pokrivenim trgovačkim i proizvodnim halama, sa preko 9000m2 površine i više od 7000 različitih artikala.
